

## PHONESEAL SOFTWARE LICENSE TERMS

The following terms govern your use of the enclosed Software unless you have a separate written agreement with PHONESEAL.

### License Grant

PHONESEAL grants you a license to Use one copy of the Software. "Use" means storing, loading, installing, executing or displaying the Software. This license only permits the correction of telephone numbers in files or databases that are owned by the same person or organization to whom this license is granted. This license does not permit the processing of third party files, or the subcontracting of telephone number correction services using the Software. You may not modify the Software or disable any licensing or control features of the Software. If the Software is licensed for "concurrent use", you may not allow more than the maximum number of authorized users to Use the Software concurrently.

### Ownership

The Software is owned and copyrighted by PHONESEAL or its third party suppliers. Your license confers no title or ownership in the Software and is not a sale of any rights in the Software. PHONESEAL's third party suppliers may protect their rights in the event of any violation of these License Terms.

### Copies and Adaptations

You may only make copies or adaptations of the Software for archival purposes or when copying or adaptation is an essential step in the authorized Use of the Software. You must reproduce all copyright notices in the original Software on all copies or adaptations. You may not copy the Software onto any bulletin board or similar system.

### No Disassembly or Decryption

You may not disassemble or decompile the Software unless PHONESEAL's prior written consent is obtained. In some jurisdictions, PHONESEAL's consent may not be required for disassembly or decompilation. Upon request, you will provide PHONESEAL with reasonably detailed information regarding any disassembly or decompilation.

### Transfer

Your license will automatically terminate upon any transfer of the Software. Upon transfer, you must deliver the Software, including any copies and related documentation, to the transferee. The transferee must accept these License Terms as a condition to the transfer.

### Termination

PHONESEAL may terminate your license upon notice for failure to comply with any of these License Terms. Upon termination, you must immediately destroy the Software, together with all copies, adaptations and merged portions in any form.

### Export Requirements

You may not export or re-export the Software or any copy or adaptation in violation of any applicable laws or regulations.

### U.S. Government Restricted Rights

The Software and documentation have been developed entirely at private expense and are provided as "Commercial Computer Software" or "restricted computer software". They are delivered and licensed as "commercial computer software" as defined in DFARS 252.227-7013 (Oct 1988), DFARS 252.211-7015 (May 1991) or DFARS 252.227-7014 (Jun 1995), as a "commercial item" as defined in FAR 2.101 (a), or as "Restricted computer software" as defined in FAR 52.227-19 (Jun 1987) (or any equivalent agency regulation or contract clause), whichever is applicable.

You have only those rights provided for such Software and Documentation by the applicable FAR or DFARS clause or the PHONESEAL standard software agreement for the product.

### PHONESEAL WARRANTY STATEMENT

BEFORE USING PHONESEAL, ANY FILES THAT YOU PLAN TO PROCESS USING PHONESEAL SHOULD BE BACKED UP OR COPIED TO A SECURE LOCATION.

IN NO EVENT WILL PHONESEAL BE LIABLE FOR LOSS OF DATA OR FOR DIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL (INCLUDING LOST PROFIT), OR OTHER DAMAGE, WHETHER BASED IN CONTRACT, TORT, OR OTHERWISE. Some states or provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
